

We're moving!

Futures Housing Group is on the move. From November 2021 our new workspace and registered office, Futures House, will move mid-way between our two main operating areas in Daventry and Amber Valley. Asher House is now closed but post will be redirected to the new office. Visits to Futures House are by appointment only. This is a flexible workspace, without a traditional reception area, so the people working there will vary day-by-day.
